Parent/Teacher Conferences

Spring Parent/Teacher Conferences will be the week of April 27th. Each family will have a phone conference with their child's teacher. A form will go home with three date and time options for parents, the week of March 30th. Please return the form by Wed, April 8th and we will then confirm the date and time. Each conference will be fifteen minutes in length and after the conference the information shared will be sent home.

Sunscreen

It's starting to get warmer...therefore, the children will be going outside to play on the playground more. We encourage all parents to bring sunscreen for their child, so the children do not get sunburnt. When you bring in the sunscreen, a form will need to be filled out and signed. Please check the expiration date to make sure the sunscreen is not expired and try the sunscreen at home first to check for side effects.

Parent Survey

Our annual parent survey will be sent home the first week of May. Please take a few moments to share your thoughts about the strengths of our programs and identify areas where you think improvements are needed. You'll place the completed survey in the box on the table in our main hallway. Thank you for your time and consideration in this matter.
