

Planting Seeds of Hope  
~MONTHLY~

### Mark Your Calendars...

Spring Parent Teacher Conferences will be the week of April 29th. Each family will have a phone conference with their child's teacher. A form will go home with three date & time options for parents, the week of April 1st. Please return the form by Tuesday, April 9th and we will then confirm the date & time. Each conference will be fifteen minutes in length and after the conference the information shared will be sent home.

### Paper Drive

We are doing a Paper Drive all of April in honor of Earth Day. Please bring in paper and cardboard to our recycle bin located in our parking lot. Our goal is to double our normal amount recycled.

### Solar Eclipse

Monday, April 8th we will experience a total solar eclipse in our area. The Center will remain open for our normal hours of operation. We will be making some modifications that day to ensure the safety of all those attending, which would include not having outdoor gross motor time during the eclipse.

### Sunscreen

It's starting to get warmer... Therefore, the children will be going outside to play on the playground more. We encourage all parents to bring in sunscreen for their child, so the children do not get sun burnt. When you bring in the sunscreen a form will need to be filled out and signed. Please check the expiration date to make sure the sunscreen is not expired and try the sunscreen at home first to check for side effects.

**Princess/Pirate Day is  
Wednesday, April 17th**

### April Birthdays

Roman C-8th

Joshua T 9th

Kinsley T-10th

Tucker L-12th

Eleanor S-28th

David P-30th
